

Micro Cap Value Equity Composite

All information is as of 12/31/2011

INVESTMENT STRATEGY

The value of a company is ultimately determined by its cash flow generation and capital allocation. Astute in-depth research can identify mispriced companies whose valuations offer a compelling risk/reward tradeoff. Our research focuses on companies with substantial free cash flow, above average financial strength and attractive valuations where management has demonstrated a history of managing the firm and allocating capital in the best interest of shareholders.

KEY ADVANTAGES

- **Disciplined** adherence to value investment philosophy
- **Deep industry experience** across multiple asset classes
- **Intensive research** from a team of talented analysts
- **Outstanding client service** and communication

STRATEGIES

- Large Cap Value Equity
- Mid Cap Value Equity
- SMid Cap Value Equity
- Small Cap Value Equity
- Micro Cap Value Equity
- All Cap Value Equity
